Dear Mr. Dillon,

Naval Medical Center and Armed Services YMCA thank you for your donation of (2) Chargers tickets. Active duty military are committed to defending our nation and as a result they are put in harms way. It's important that we remain committed to our military as they undergo medical treatment. Your donation sends a message of care and appreciation.

Through Armed Services YMCA office at Naval Medical Center a variety of programs and services specifically for patients are available. During hospitalization patients are loaned: TV's, Games, DVD's, phones and computers. Throughout recovery, patients are welcomed on fieldtrips that include: sporting events, fishing trips, movies, concerts, and restaurant outings.

As a result of the war on terrorism, increased support is provided. All patients who are medically evacuated to Naval Medical Center are greeted by Armed Services YMCA volunteers. In addition to welcoming the injured patient, there are support services in place to help. The need for airline travel to unite families, lodging for visiting family, local transportation and recreation opportunities are addressed.

Armed Services YMCA began operating at Naval Medical Center in 1982. Although we've assumed some new responsibilities, we continue to offer classes, special events and volunteer workers throughout the hospital. To learn more about San Diego Armed Services YMCA we invite you to visit our website at www.militaryymca.org.

Our mission is to provide support to the military, which we have been doing for over 80 years in San Diego. We appreciate you joining our cause.

There are no costs or fees for our programs; there are no restrictions on ways we can help. Your donation comes at a much needed time; thank-you once again. For your records our non profit tax identification is 95 167 9700.

Together with the military members - our sincere appreciation.

Respectfully,

Cherri Barnswell, Senior Director
